RE: Estate of Lou Anna Lawhorn

Dear [REDACTED]:

I contacted Fred Lawhorn after our conversation last Friday. Freddie told me that his mother gave Eddie approximately \$15,000.00 to use as a down payment when Eddie bought his house. From this, Freddie feels that his mother's interest regarding the pledge to the Greenfield Bank was to give Freddie an amount comparable to what she had previously given Eddie. Freddie advised that he feels if the certificate of deposit is taken from the bank that the bank will repossess his house.

Please discuss with Eddie and let me know how much Eddie received from his mother when he purchased his house.

If Eddie received a similar amount from his mother, I believe a court would find donative interest on her part in pledging her certificate.

Yours very truly,
[REDACTED]
