Dear Mr. [REDACTED],

My credit union has sent me copies of my account statements (at \$1 each) for September through December 1985. I am enclosing a copy for you. As you can see, no \$15,000 was received from my mother. I'm willing to get a complete set of my statements if necessary.

I am looking forward to getting this estate settled at long last. Please let me know what actions have been taken, and what I need to prepare. Thanks for your assistance.

Sincerely yours,

Eddie Lawhorn
