In re: Estate of Lou Anna Lawhorn: Default Judgment & Removal Motions

Dear [REDACTED]:

As I mentioned to you this morning when you and I talked about delaying the motions, Eddie has retained the services of [REDACTED] of Centerville to handle the motions for default judgment and to remove the executors for us.

[REDACTED] and Eddie were all set in Centerville this morning and since I had already turned the handling of the motions over to [REDACTED], I should have had you contact him. My agreement to pass the matter certainly inconvenienced my client.

Since [REDACTED] will be handling these motions, please deal directly with him regarding the motions.

Very truly yours,
