- 01/08/90 Diary: "Back to TN. Finding and paying off mom's bills."

Aunt [REDACTED] came too. I had to drive them around. To graveyard, had to take [REDACTED] to get flowers. Then Dickson to lawyer. Fred of course had no appointment. Lawyer had no copy of will and Uncle [REDACTED] not signing until he sees it. Keeps this mess from getting settled. Why couldn't he just have asked for it way earlier? They did take me to lunch at Sizzler, and kept urging me to go slow on everything. They still having tough time over mom death, but let's get bills paid."
- 03/24/90 Diary: "mailed will off to Uncle [REDACTED]. Hope to get things going. Fred needing cash for bills, called, will be back to TN Monday, will help us out too."

- 07/30/90 Diary: "Fred called - he's a little nervous about leg operation tomorrow. No word from Uncle [REDACTED] so Fred called him, then back to me. Apparently, the paperwork he wants is that the estate is all settled - and we haven't even started probate yet! Will check with his lawyer, and I'll follow up in a couple of days. Disgusting how this is dragging on."

- 01/05/93 Diary: "Up early, drove to Hickman County. All turned out very well! Court basically through by 9:15, had to wait till ■ showed - Fred, Uncle ■, and their lawyer did not show up at all! ■ and judge talked to ■ on phone. ■ got told the executors had to do an accounting - gave them till 9 AM on Jan. 29. If they don't, they have to show up Feb. 2 - and facing going to jail until they do make their accounting. Judge didn't buy their argument that an accountant was necessary. Feels good knowing their stalling is going to come to an end soon. Whenever they do an accounting - if it's not accurate, I can file objections, then the court will hear it out; so probably only 3 more months of this mess."
